M G ARTHUR & ASSOCIATES

Chartered Accountants | Tax and Business Advisors

What You Will Get

- **A clear career pathway, with mentoring from the top.** Our Managing Partner mentors you directly, and there is a clear pathway to Partnership.
- **Independence with your own clients.** You manage your client jobs from start to finish and are their go-to person. We back your judgement.
- **A growth-focused firm driven by technology and tax expertise.** We are well ahead on AI, and in-house and external Tax Knowledge CPDs keep you ahead of industry practice.

What You Will Do

- **Own your client portfolio.** Manage jobs from start to finish, meet every lodgement deadline, and deal with clients, the ATO and external providers.
- **Prepare and review quality work.** This covers financial statements and tax returns for individuals, companies, trusts and partnerships. It also covers payroll tax, FBT, activity statements, STP finalisation, and SMSF work.
- **Grow others as you grow.** Review and mentor intermediate and graduate accountants, including our Overseas Accounting Team. Support the Manager and Partners on tax planning, structuring and business advisory.

What You Will Bring

- 4+ **years in Australian public practice,** and **CA / CPA** qualified or near completion.
- **Strong, hands-on Australian tax knowledge:** individual, small business, CGT, trusts, companies, SMSF and GST. You also know Xero, XPM, Xero Tax and MYOB, and are Xero and Xero Payroll certified.
- **Experience reviewing and mentoring juniors,** a passion for tax and client service, and excellent communication with high attention to detail.
